

As you consider all your options - college, technical training or a full or part-time job - come visit Hastings Beauty School before you make your final decision.

We'll show you how many other young men and women have found an exciting professional career in the beauty industry that is creatively rewarding, financially attractive, and lots and lots of fun.

Hastings Beauty School

Where careers in beauty begin

Hastings
Beauty
School

“Americans spend more each year on beauty than they do on education.”

-The Economist. London:
May 24, 2003.

**Classes
start every
8 weeks**

Exciting possibilities

Few careers hold as great a combination of financial and personal reward as a beauty professional. Whether as a stylist, esthetician, nail technician or salon manager-owner, you'll find both fulfillment, and virtually limitless job opportunities. Locally to internationally – our graduates find career paths that lead to great adventure and financial reward. Salons, spas, resorts and wellness centers are all within easy reach for aspiring, talented graduates of Hastings Beauty School.

At Hastings Beauty School you'll receive a solid foundation for your career – all the techniques, trends and skills you need to be a success in today's fashionable world of beauty. You'll learn both the art and the science of cosmetology – hair, skin, and nail care.

You'll become knowledgeable and proficient in:

- Cutting
- Styling
- Coloring
- Permanent waving
- Manicuring
- Facials
- Salon management and more.
